

You do not want to miss spring camporee! It is at camp buck toms this year. You may even see some of your friends there because we will be camping near other boy scout troops. We will leave on May 1 at 5:30 but be there 15 minutes early. You need to bring the following items; OA sash if you are in OA, a rain suit, anything you would need for a dump camp, a class A for Saturday night, a class B or an any other boy scout shirt, a compass, a pencil, paper, and your scout book. Do not bring electronics or footballs. There are a few scouts eligible of being called out for OA. It could be you. The ceremony will be held on Saturday night. It cost \$12 dollars to go and an additional \$12 dollars for quartermaster. It needs to be paid by this Tuesday. You do not want to miss this opportunity to interact with other scouts and play fun games.
